

# DILEMA

## No hay tal

**Approachable wines, ready to enjoy with any meal and at any moment.**

**Varietal:** 100% Malbec.

**Vineyard location:** Eastern zone, department of Maipu, Mendoza, Argentina.

**Winemaking:** Manual and mechanical harvest, destemming, and addition of selected yeast to activate fermentation at a controlled temperature. Stabilization, filtration and bottling.

### **TASTING NOTES:**

Dilema Malbec is a versatile and approachable wine to enjoy with any food and in any moment. It is characterized by its delicious aromas of red fruits on the nose. A welcoming wine, with balanced acidity that begs you to have another glass.

### **SERVING TEMPERATURE:**

Between 14° - 16°C (57° - 61°F).
