

# DILEMA

## No hay tal

**Approachable wines, ready to enjoy with any meal and at any moment.**

**Varietal:** Rose.

**Vineyard location:** Eastern zone, department of Maipu, Mendoza, Argentina.

**Winemaking:** Manual harvest, destemming, sangría (removal of part of the must that had brief contact with the skins), fermentation in stainless steel tanks with selected yeast at a controlled temperature. Stabilization, filtration and bottling.

### **TASTING NOTES:**

Dilema Dry Pink is bright on the sight, and very attractive with its pale pink colour. On the nose a delicate combination of fruity and floral notes. Once in the mouth, we find a delicate entrance with medium body and refreshing and long finish.

### **SERVICE TEMPERATURE:**

Between 7° y 10°C (45° - 50°F).
