

DILEMA

No hay tal

Approachable wines, ready to enjoy with any meal and at any moment.

Varietal: Red blend.

Vineyard location: Eastern zone, department of Maipu, Mendoza, Argentina.

Winemaking: Manual harvest, destemming, light pressing, racking, and alcoholic fermentation. Interruption of the fermentation with cold shock and centrifugation. Stabilization and filtration. Finally, bottling.

TASTING NOTES:

Dilema Velvet Red Wine is a soft and creamy wine, with a deep reddish-purple color. It stands out on the nose for its intense aromas of mature fruit such as plum and cherry. Excellent to pair with tapas, finger foods and salads.

SERVING TEMPERATURE:

Between 14° - 16°C (57° - 61°F).
